

# EASY *I.D.*™

Marking Pen

Use EASY *I.D.*™ to mark your tools, scissors and more to make them easy to identify as your own.

Crafting is something we often love to get together and do, either just gathering a group of friends, going to a retreat or attending a class. A lot of tools look the same making it difficult to tell your tools from someone else's.

The metal ball point tip makes it easy to mark your tools with your name, initials, a little doodle. Next time you get together you'll have no problem telling your stamps, scissors, punches, etc. from your friends.

Mark tool and allow to dry.

Used by sewers, knitters, quilters, beaders, scrapbookers and all other types of crafters.

**Write on any hard surface**

Your tools  
aren't  
cheap.  
Protect  
them.
